

BATTERIES EUROPE PLENARY SESSION

European Battery Ecosystem: how innovation improves competitiveness and resilience in Europe

Wednesday, 07 June 2022, 10:30 – 17:00
Thon Hotel EU, Rue de la Loi 75, 1000 Brussels ([hybrid event](#))

Agenda

10:30 – 10:45	Opening and Welcome Message	Michael Lippert (<i>BE Steering Board Chair - SAFT</i>)
10:45 – 11:15	Institutional framework for a resilient and competitive Europe <ul style="list-style-type: none"> ✓ European Critical Material Act ✓ Net Zero Industry Act ✓ Battery Regulation 	European Commission
11:15 – 12:00	National Perspective: What are the needs that Research can feed	Spanish Representative French Representative Swedish Representative
12:00 – 12:15	EBA Battery Plan –Adapting Europe’s toolbox with speed and simplicity	Ilka von Dalwigk (EBA250 – EIT InnoEnergy)
12:15 – 12:30	How R&I Keeps European Battery Industry Competitive in a Changing Global Landscape	Wouter Ijzermans – BEPA
12:30 – 13:45 Lunch Break		
13:45 – 15:00	Why is collaborative R&I necessary to resolve our battery value chain challenges? <ul style="list-style-type: none"> ✓ Upstream: Raw Materials and Recycling ✓ Midstream: Advanced Materials and Manufacturing ✓ Downstream: Implementation 	Moderator: Edel Sheridan (BE Secretariat – SINTEF Energy) Panelists: Tbc

15:15 – 15:45	Re-skilling and up-skilling: how to provide answers to industry needs	Moderator: Silvia Bodoardo (Battery2030+) Panelists: Oana Penu (EBA Accademy CEO) Rest of Panelists TBC
15:45 – 16:00 Coffee Break		
16:00 – 16:30	Europe's battery innovation system in international comparison	Monika Curto Fuentes (BE Secretariat - VDI-VDE-IT)
16:30 – 16:45	Results of Batteries Europe and Workplan	Alessandro Romanello (BE Coordinator – EIT InnoEnergy)
16:45 – 17:00	Closure of the Meeting	Michael Lippert (<i>BE Steering Board Chair - SAFT</i>)
